Dear Sir:

In response to the Notice To File Corrected Application Papers, exact photocopies of pages 29 and 30 of the patent application as filed are attached. As shown by these two pages, the five claims of the patent application begin on a separate page, namely, page 29 of the patent application. Likewise, the

claims, by happenstance, began on a separate page in the Preliminary Amendment filed simultaneously with the patent application.

It appears that the Notice To File Corrected Application Papers, a copy of which is attached, was sent incorrectly because the claims, in fact, did commence on a separate page of the patent application.

Respectfully submitted,

LEYDIG, VOIT & MAYER, LTD.
